Revised December, 2023**

CHURCH NAME _____

Clerk of Session _____ Review Date _____

WHY DO WE REVIEW SESSION RECORDS?

In reviewing the proceedings of the session, the presbytery shall determine, either from the records of those proceedings or from any other information as may come to its attention, whether:

- *The proceedings have been correctly recorded;*
- *The proceedings have been regular and in accordance with the Constitution;*
- *The proceedings have been prudent and equitable;*
- *The proceedings have been faithful to the mission of the whole church;*
- *The lawful injunctions of a higher council have been obeyed. [G-3.0108a]*

HOW DOES THE REVIEW HELP THE PRESBYTERY, THE CLERK OF SESSION?

It can help the Polity and Records Committee identify those areas in which several or all churches may need information or assistance from the presbytery in order to comply with the guidelines.

Our presbytery uses a one-on-one review, in which two Clerks of Session exchange and check the other's records, which are then approved by a member of the Polity and Records Committee. This allows Clerks to exchange information, often to their mutual advantage.

HOW SHOULD A CLERK USE THE CHECKLIST?

- a. The checklist serves as a planning or agenda guide for
 - Procedures at each session meeting (Page 2)
 - Actions taken and recorded annually or periodically at session meetings (Page 3-4)
 - Items to include in session minutes when applicable for your church (Page 4-5)
 - Procedures for meetings of the congregation, particularly the annual and/or election meeting(s) (Page 5)
- b. The checklist is a reminder of actions that must be taken at some time during the year.
- c. The checklist is the format for the annual review of records.

HOW SHOULD A CLERK PREPARE FOR THE REVIEW OF RECORDS?

- a. Read your checklist early in the year, review it periodically, and double-check it in September to make sure your session will take all necessary actions before the end of December.
- b. Leave space for the Presbytery stamp at the end of the last page of minutes for the year being reviewed.**
- c. Make every effort to present your records for review in March; save May for back-up.
- d. Bring a COPY of your current minutes book pages and this completed checklist to the review. Completed means you have gone through the checklist and indicated which page of your minutes book each item is located on. At review time, the completed checklist must be presented; otherwise the minutes book and registers may not be reviewed.**
- e. If you cannot be present on the review dates, please send a prepared substitute.
- f. Attend the Clerk of Session Training when it is offered by the Stated Clerk or Polity and Records Committee.

ITEMS RECORDED AT EACH SESSION MEETING

The Clerk's page references are all for one month, _____.

Item		Page
1	The following information is included for each meeting, stated or called: date, time, place, moderator; meeting opened with prayer; quorum present; full names and title of those present, absent or excused.	
2	The pages of the minutes are numbered consecutively from one meeting to the next. (i.e. Do not restart numbering each month.) Appendices for a particular meeting are identified by reference to the page in the minutes. Reference(s) to previous actions of session are referred to by page number(s). Corrections, when unavoidable, are initialed by the Clerk of Session.	
3	The Clerk of Session's report: Minutes of the previous meeting are approved as read, e-mailed, or corrected. All communications received are referred. A recommendation to receive or remove members is approved. A report of baptisms and marriages performed is received.	
4	Reports of standing committees and any special committees are properly made and received, with recommendations acted upon. The record contains only actions taken and that which is vital to the transactions of the meeting. Motions are recorded in simple fashion - "it was voted" or "the session voted" (to take action). There is a clear distinction between recommendations (which are adopted or approved) and reports (which are received). Minutes are succinct, but include enough information to provide an accurate record for future reference.	
5	The meeting is closed with prayer [G-3.0105]. The time of adjournment may be noted.	

6	Minutes are signed by the Clerk of Session, a temporary clerk appointed for a particular meeting, or the Moderator, attesting to the session's approval of the minutes.
